Trail of HOPE

Trinity Bible College is proud to host the 4th annual Trail of Hope Native American Youth Leadership Gathering. We welcome you to be a part of this life-changing event. It is our goal through Trail of Hope to build up warriors for our future generations of Native American People. We hope that you will attend along with other warriors from the west and mid-west.

It is important to note the participants will be staying with TBC students. There will not be more than two people per room so you may be split up. Each student should bring a towel, sleeping bag or blanket, and a pillow. We will do our best to make you feel at home.
